Price

Sold**Item Reference: SA1207443****Date of manufacture: 1930**

Dimensions

Height = 481 cm (189.4")

Width = 86 cm (33.9")

Description

A great size, long and narrow. Most narrow runners stop after about 10 or 11 feet but this one keeps on going! Very sturdy Persian runner in full pile, very hard wearing and with many charming decorative features. Well patinated pile feels wonderful underfoot and you can expect a life times use out of this well crafted antique. 2'10" x 15'8"
