Description

A lovely set of eight antique Sheraton style shield back dining chairs. They were made in England, and date from around the 1950's. The quality is superb, they have beautifully carved pierced back rests with wheat sheaf motifs. They have tapered legs terminating in spade feet, with stretchered bases for extra stability. They are solid beech, which has lovely grain patterns and a beautiful, warm colour tone, similar to walnut. We have had the frames re-polished and the drop in seats have been re-upholstered in a cream cotton fabric. The condition is excellent for their age, with just some incredibly minor wear remaining beneath the polish here and there. Width carvers – 23 inches, 58 cm Width side chairs – 21 inches, 54 cm Depth – 22 inches, 56 cm Height – 38 inches, 96 cm Seat height – 18 inches, 46 cm
