Description

A beautiful example of an inlaid, rosewood drop dial wall clock. The twin fusee movement has just been fully overhauled by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. It strikes on a bell with a clear, resonating sound on the hour. The rosewood case is in gorgeous condition, being beautifully polished and with inlaid mother of pearl. It has inspection doors to either side and also an opening door to the underside. There is a glazed window to the lower half of the case through which the pendulum can be seen working. The white painted, 12" (30cm) dial has black Roman numerals and black spade hands. It is enclosed by a cast brass bezel. Keeping perfect time and supplied with winding key. A lovely, attractive clock that is ready to hang on the wall and go straight to work. Worldwide delivery available. All cards accepted.
