Description

This bench is in good condition. It is in its original mustard paint. This bench would look well in an old or modern property in any room for seating purposes. It would look great in a hallway etc or to the one side of a large table. It could comfortably seat 3 people. This would strip beautifully as there is a lovely yellow pine underneath the paint. It would need to be taken to your local furniture stripper and you would be charged between £45-£65 to strip this. The bench stands on square legs supporting the main section with beautifully shaped arms. There is a lift up lid with plenty of storage space beneath. You could have a cushion pad made in an upholstery of your choice. The arms are beautifully shaped with a cross bar to the ends and the back is panelled with two panels. The height is 100cm, the seat height is 51cm, the width is 195cm and the depth is 52cm.
