Description

This cabinet is in good condition. It is an original hungarian cabinet. We have professionally painted it in a lovely grey paint, rubbed over the edges and then waxed it giving it a stunning appearance. The cabinet would look well in an old or modern property in any room for storage of a collection etc. This cabinet is in one piece and very heavy so I will require a hand off the van with it into your hallway. The cabinet stands on square back legs and round turned front bun feet supporting the main section. There are two doors. Each door has a small glazed bottom panel and larger glazed top panel with a moulding around the edge. There is a key to lock the doors. To the sides there are fluted columns which is a nice feature. The sides are also glazed. Behind the doors there are shelves for storage. The shelves are not fixed so more could be placed in if required. The top has a standard graduated cornice with castle type mouldings beneath and lovely mouldings aswell. This is truly stunning please buy with confidence! The height is 183cm, the width is 122cm and the depth is 63cm.
