Description

This bench is in good condition. We professionally stripped and restored it. We then painted it in a lovely antique brown bri wax. This bench would look well in an old or modern property in any room for seating purposes. It would look great in a hallway etc or to the one side of a large table. It could comfortably seat 3 people. The bench stands on very simple georgian primitive square legs supporting the main section with beautifully shaped arms. There is a lift up lid with plenty of storage space beneath. You could have a cushion pad made in an upholstery of your choice. The ends have simple uprights and the back is panelled with a shaped section. The height is 104cm, the seat height is 48cm, the width is 193cm and the depth is 48cm.
