Description

A fine quality early 20th century Chinese Chippendale style carved giltwood mirror. This mirror consists of an elaborately carved giltwood frame with typical Chinese Chippendale influences including a Pagoda to the top with four supporting columns and suspended bells. This leads down to an extremely decorative and intricate design of scrolling and entwined foliate carved decoration in the Chinoiserie style. This mirror is in very good condition for age, is of stable construction and can go straight into a home. Size: Height: 64.5" / 163cm Width: 31.5" / 80cm Depth: 5" / 12.5cm
