## Description

A good example of an antique brass barley twist candlestick which has been converted to a table lamp. It has been PAT tested and wired to modern standards to take a standard bayonet bulb. The lamp is in excellent condition and has been beautifully polished. There are some minor signs of age and use but nothing detrimental and it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
