Description

A good quality Sterling Silver photo frame. The frame is a nice Art Nouveau style shape and it has an oak easel back. It is clearly hallmarked for Birmingham 1924 and the maker G & C Ltd. It is in good condition for its age. There are no major damages and the easel back is in good solid order. There are some surface marks, minor scratches and some small dinks and dents around the frame but nothing too detrimental given its age. The silver has been gently cleaned and polished and the frame is ready for use.
