Description

A good quality and very decorative still life oil painting dating from the early 20th Century. It depicts a traditional fruit scene including grapes, pears and nuts with a signature in the bottom right corner which looks like "E.Wouldsworth". There is also a pencil signature on the reverse and a date which looks like "April 1925". The painting is in good original condition and the colours are bright and vibrant. There are some minor surface marks and some slight crazing but nothing detrimental and overall it displays well. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £15
