Description

A good quality Victorian chess table dating from the mid to late 19th Century. It has a beautiful walnut lobe shaped top with an inlaid chess board. It has a bulbous support set on tripod splayed legs with nicely carved detail and scrolling feet. The table has a lovely rich colour and is strong and sturdy with a good level top. It is in good condition for its age and displays well. There are some signs of age and use, a few small surface marks and light knocks but nothing detrimental and there are no major damages. It has been gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
