Description

A lovely set of 8 'penny' chairs dating from the late 19th / early 20th Century. They have thick round shaped seats, spindle backs and turned legs joined by a H-stretcher. There are some slight differences between the chairs but they go together nicely as a set. One chair still has its original 'Ibex' paper label below the seat. The chairs are a good size and are comfortable to sit in. The seats are approximately 18" (46cm) high and 16" (41cm) wide. The chairs themselves are 33 1/2" (85cm) high. They are in good condition for their age and are strong and sturdy with a lovely patina. There are some signs of age and use, a few knocks and light scuffs around the legs and some minor age-related marks here and there but nothing detrimental. There are some old repairs to a couple of the chairs but they are all strong and sturdy. There are some signs of historic worm in a couple of areas which has all been treated as a precaution and hasn't affected the chairs structurally or aesthetically. They have all been cleaned and lightly polished and are ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just as...
