Description

This cupboard is in good condition. We have professionally restored it and then painted it in a lovely black paint. We then rubbed over the edges and waxed it giving it a stunning appearance. The cupboard would look well in an old or modern property in a large unfitted kitchen for storage of kitchen items. It would look great on a landing for storage of linen etc if you have a large staircase. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The cupboard stands on round turned legs supporting the main section. There is one large drawer to the bottom. The drawer has metal drop handles. The drawer has dovetail joints and is pine lined. There are two doors and each door has three panels and a key that locks the doors. Each panel has a raised moulding with a lovely carving upon it. The sides are panelled also. Behind the doors there is an original hanging rail and hooks to the top and shelves for storage. The shelves are not fixed so more shelves could be placed in if required. The top has a standard graduated cornice with a lovely carving beneath...
