Description

This chest of drawers is in good condition. It is a genuine Hungarian piece of furniture. We professionally restored it and then waxed it in a lovely antique brown bri wax giving it a stunning appearance. This chest of drawers would look well in a large property bedroom amongst similar antique pine furniture. It would also look great in a downstairs room. This is a large chest of drawers so please be aware if it is to go up your staircase that your staircase needs to be wide enough. If you are looking to furnish a bedroom please view our other items we have many wardrobes and bedside cabinets. This chest stands on square back legs and round turned front bun feet supporting the main section. There are two small drawers over three larger drawers. The two smaller drawers have lovely oval mouldings and a brass drop handle. The three larger drawers have round turned wooden knobs, dovetail joints and are all pine lined. To the sides there are beautifully turned columns. The top is in good condition with a lovely carving beneath. The height is 127cm, the width is 127cm and the depth is 60cm.
