Description

This cupboard is in good condition. We have professionally restored it and then painted it in a lovely black paint. We then rubbed over the edges and waxed it giving it a stunning appearance. The cupboard would look well in an old or modern property in a large unfitted kitchen for storage of kitchen items. It would look great in a large living room with a flat screen TV on etc. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two doors and each door stands on metal pin hinges and has a fielded panel with a carving upon it. There is a key that locks the doors. There is one large, deep drawer above. The drawer has ceramic handles. Behind the doors is a shelf for storage. The top is in good condition with a bull nosed edge. The height is 113cm, the width is 129cm and the depth is 59cm.
