Description

This dresser base is in good condition. We have professionally restored it and then waxed it in a lovely antique brown bri wax giving it a stunning appearance. The dresser base would look well in an old or modern property in a large unfitted kitchen for storage of kitchen items. It would look great in a large living room with a flat screen TV on etc. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The dresser base stands on square back legs and round turned front bun feet supporting the main section. There are two doors and have one panel that are beautifully angled to the bottom. There is a key that locks the doors. There are two large drawers with each drawer having a round turned wooden knob. The drawers have dovetail joints and are pine lined. Behind the doors is a shelf for storage. There is a large bread slide which is a nice feature. The top is in good condition. The height is 99cm, the width is 153cm and the depth is 62cm.
