Description

A Nice Antique Sterling Silver and Cut Glass Condiment Jar with patented automatic swing handle lid. As the handle is pushed down, the lid opens. The glass body is clear and heavy-feeling, with a starburst-cut base that catches the light attractively. Hallmarked for Birmingham, 1924. * A neat example of how sterling silver was used to elevate everyday table pieces with lasting quality. Measurements: Height (handle up): 5" (approx. 12.5cm) Diameter: 2 3/4" (approx. 7cm) Total weight: 189g In good condition – The sterling silver mount shows gentle surface wear in line with normal use. There are no chips or cracks to the glass. The automatic opening mechanism is in full working order.
