Description

A handsome continental chest of drawers, topped with a shaped marble back and surface. The piece features well-figured timber with attractive grain throughout, complemented by decorative carved details and classic brass handles. The marble top remains in good, clean condition and adds a refined contrast to the warm tones of the wood. A characterful and practical piece, well suited to both traditional and contemporary interiors. Item Reference: M-6663 . Dimensions: Height - 106cm/ Width - 106cm/ Depth - 61cm / Surface Height - 81cm .

CONDITION REPORT: In good antique condition overall, with some signs of age. There is surface wear throughout, including age-related marks, knocks, and scratches consistent with use. There is evidence of historic woodworm around the base, but this has long gone and been treated as a precaution. There is some loss to the carving on the right-hand side, along with minor loss to the top edge beneath the marble, as shown in the photographs. These do not detract from the overall appearance or functionality of the piece. The chest remains structurally solid and sound - a lovely example. Our experienced carpenter thoroughly inspects, repairs, and ...
