Description

This box is in good condition. We have professionally stripped and restored it. We then waxed it in a lovely antique brown bri wax giving it a stunning patina. This box would look well in an old or modern property amongst similar antique pine decorative furniture at the foot of a bed in the middle of a living room for a coffee table or in a corner of a living room to place a TV on top. This box stands on georgian scrolled feet supporting the main section. There are two large drawers. The drawers have round turned wooden knobs, dovetail joints and are pine lined. There is a lift up lid standing on its original metal georgian hinges with plenty of storage space inside. The height is 60cm, the width is 100cm and the depth is 52cm.
