Description

This box is in good condition. We have professionally stripped and restored it. We then waxed it in a lovely antique brown bri wax giving it a stunning patina. This box would look well in an old or modern property amongst similar antique pine decorative furniture at the foot of a bed in the middle of a living room for a coffee table or in a corner of a living room to place a TV on top. This box stands on a scrolled plinth supporting the main section. There are four sides connected with lovely dovetail joints. There is a lift up lid with plenty of storage space inside standing on its original metal hinges. There is a candle box to the left. The height is 53cm, the width is 105cm and the depth is 57cm.
