Description

These bedside cabinets are in good condition. We have professionally stripped and restored them and then waxed them in a lovely oak wax giving them a stunning patina. The bedside cabinets would look well either side of a double bed in a large bedroom amongst similar antique oak coloured furniture. The bedside cabinets stand on lovely scrolled legs supporting the main section. There are four large drawers. The drawers have their original arts and crafts brass handles. The drawers have dovetail joints. The tops are in good condition. The height is 74cm, the width is 32cm and the depth is 32cm.
