Description

This wardrobe is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The wardrobe would look well in an old or modern property in a hallway or bedroom as a child's wardrobe. This is in one piece and extremely heavy and I will require a hand off the van with it into your hallway. Please make sure the pathway to your house is clear to get it into your property. Your staircase would need to be straight with no turns if it is to go up stairs. The wardrobe stands on bracket feet supporting the main section. There is one large drawer. The drawer has ceramic handles and is pine lined. It also has dovetail joints. There are two large doors. The doors have two panels. The bottom panels are smaller with lovely moulded lines upon them and circular mouldings. The top panels are larger with similar mouldings. We have fitted a new lock and key to the door. Behind the doors is a hanging rail for storage. The top has a lovely carving. There are reeded columns to the sides and middle. The height is 197cm, the width is 115cm and the depth is 50cm.
