Description

This wardrobe is in good condition. We have professionally restored it and then painted it in a lovely blue paint. We then rubbed over the edges and waxed it giving it a stunning appearance. The wardrobe would look well in an old or modern property in a hallway or bedroom as a child's wardrobe. This is in one piece and extremely heavy and I will require a hand off the van with it into your hallway. Please make sure the pathway to your house is clear to get it into your property. Your staircase would need to be straight with no turns if it is to go up stairs. The wardrobe stands on square back legs and round turned front bun feet supporting the main section. There is one large drawer. The drawer has metal drop handles. There are two large doors. The doors have three panels. Each door has a fielded panel, a moulding around the edge and a carving upon them. There are lovely turned columns to the sides and middle. We have fitted a new lock and key to the door. Behind the doors is a shelf and hanging rail for storage. The top has a standard graduated cornice with a lovely carving below. The sides are panelled. The height is 196cm, the width is 138cm and the depth is 59cm....
