Description

This wardrobe is in good condition. We have professionally stripped and restored it and then waxed it in a lovely antique brown bri wax giving it a stunning patina. The wardrobe would look well in an old or modern property in a hallway or bedroom as a child's wardrobe. This is in one piece and extremely heavy and I will require a hand off the van with it into your hallway. Please make sure the pathway to your house is clear to get it into your property. Your staircase would need to be straight with no turns if it is to go up stairs. The wardrobe stands on square back legs and round turned front bun feet supporting the main section. There are two large doors and the doors stand on their original pin hinges. The doors have a small bottom panel and larger top panel. The panels are beautifully carved to the corners with lovely circular mouldings. Behind the doors is a shelf and hanging rail for storage. The top has a standard graduated cornice. There are fluted columns to the sides and middle. The height is 182cm, the width is 138cm and the depth is 55cm. The internal depth is 42cm.
