Description

This kitchen island is in good condition. We have professionally restored it and then waxed the top in a lovely antique brown bri wax giving it a stunning appearance. We then painted the base in a black paint, rubbed over the edges and waxed it. There are two open sections that we have also waxed. The kitchen island would look well in an old or modern property in a large unfitted kitchen for storage of kitchen items. You need to be aware that the height of 87cm would need to fit through your doorway. Please be aware this is extremely heavy and I will require a hand off the van with it into your hallway. The kitchen island stands on square legs supporting the main section. There are two large drawers to the bottom. The drawers have ceramic handles, dovetail joints and are pine lined. Above are four further smaller doors with ceramic handles and two large open sections the sides. The top is in good condition being planked and waxed. The height is 87cm, the width is 200cm and the depth is 100cm.
