Description

A charming antique 20th century low chest of drawers in oak, well made and displaying attractive craftsmanship throughout. The piece features three drawers to the front, all fitted with their original knob handles, providing practical and convenient storage. It has a small raised gallery to the top, adding a subtle decorative touch, while the bracket feet give it a classic and balanced appearance. The oak displays a gorgeous grain and warm colour throughout, enhancing its natural character and appeal. Presented in good condition, this is a very desirable low construction example, making it a perfect addition to any home.
