Description

A charming antique 20th century Edwardian chest of drawers in oak, very well made and of fine quality, displaying attractive craftsmanship and solid construction throughout. The chest features five drawers in total, arranged as two small over three large, all retaining their original brass handles and fittings, adding to its authenticity and period character. The oak displays a gorgeous grain and rich warm colour throughout, giving the piece a strong visual presence and a classic traditional appearance. It stands on a solid plinth base, enhancing both its stability and clean, well-proportioned design. Presented in good condition, this is a very well-made and highly desirable example, offering excellent storage and everyday practicality. A perfect addition to any home, combining usefulness with timeless Edwardian style.
