Description

Here we have a rare pair of Victorian banks or chests of drawers c1880. As you can see the drawers have great colour and patina. The drawers were in the inventory of D Napier and sons an engineering company from 1808 and a luxury car maker in the early 20th century. Original brass carrying handles and turned handles. The drawers have hand cut dovetail joints. The whole carcass is also constructed with hand cut dovetail joints. A super pair which could be sold separately in great retail condition ready for your home. The dimensions are approx 68 cm high 45 cm wide 26 cm deep.
