Description

A nicely carved single 17thc oak caryatid, of a lady with folded arms and wearing an elaborate headdress and robe...the caryatid would have been originally applied to a piece of furniture or panelling,I always say I would have loved to have seen the piece of furniture that it came from, I'm sure it would have been very impressive....excellent colour & patina... Flemish. C1640-60.

Internal Ref: MS 8477
