

SA1208963

A Rare Pair of Georgian Pottery Window Rests c.1810

Price

Sold

Item Reference: SA1208963

Date of manufacture: Georgian

Dimensions

Height = 17 cm (6.7")

Width = 15 cm (5.9")

Description

A pair of Georgian pottery sash window rests modelled as a lady in a bonnet. Obviously as they were used regularly there is some bruising, chips and age related wear, it is quite surprising that any survived! However they are very collectable. They measure 17cm x 15cm.
