Description

This is quite a rarity - an antique solid sterling silver table lighter, fashioned as a canoe and dating from the very end of the reign of Queen Victoria. It is clearly hallmarked for London 1899 with the maker's mark of Stokes & Ireland Ltd. It is heavy and tactile, and is in a fabulous condition. The open top, usually for rowers, is presumably an ashtray. Interesting. Dimensions: Length: 13cm Width: 3cm Height: 5.5cm Weight: 82g. Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
