Description

An Impressive Sheraton Revival Satinwood Display Cabinet. Of elegant proportions and refined neoclassical inspiration, this Sheraton Revival satinwood display cabinet is raised upon slender tapered legs terminating in spade feet, characteristic of the period's classical influence. The cabinet features a central astragal-glazed door, flanked by gracefully bowed glass panels, creating a striking façade and allowing for an excellent display of contents. The interior is fitted with three shelves, providing practical and well-proportioned display space. The whole is enriched with finely executed ebony line inlays, offering a pleasing contrast to the warm tones of the satinwood and demonstrating a high level of craftsmanship.
