Description

English Edwardian Antique Leather Armchair – Very Comfortable A very comfortable and ample English antique original brown leather armchair that dates to around 1900. The leather upholstery is in very good, strong condition with no rips. The leather is a wonderful colour and has the large decorative original brass stud work around the edges. The seat is sprung so is so comfy and you sink into it. This is a English antique leather armchair, a rare survivor, not like the many French ones out there. Dimensions Height: 90cm (35.71") Width: 97cm (38.49") Depth: 98cm (38.89")
