Description

Mid-size Mulfi 1940s Art Deco wrist watch. The watch has a Swiss 16-jewel hand-winding movement which is working nicely. The watch measures 20mm wide excluding the winding crown, and 28mm high excluding the lugs. The case is stainless steel and it is in super condition. The watch has a thick lens... it looks good to the naked eye, some light scratching if viewed very closely. There is some natural light reflection showing in the photos. The signed dial is in its super original condition with original original blued steel hands, a subsidiary seconds dial and outer minute track. The Mulfi name was first registered by Henri Müller & Fils in 1938. The watch has its original strap and original Mulfi swing ticket. The watch comes in a new presentation box.
