Description

A well presented antique Victorian pine trunk. The trunk features a hinged lid opening to a useful storage interior, divided into two sections for practicality. The top has a slight raised lip to the back edge, adding a subtle detail. Constructed from solid pine, the piece displays a lovely warm colour and natural character throughout, with plenty of charm. A simple and functional piece, ideal for use as a blanket box or general storage. Item Reference: M-6812 . Dimensions: Height – 51cm / Width – 92cm / Depth – 53cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear including age-related marks, knocks and scratches consistent with use. There is evidence of historic woodworm, particularly to the plinth base, however this is now long gone and has been treated as a precaution. The trunk remains structurally solid and sound. Overall, a good, honest example. Our experienced carpenter thoroughly inspects, repairs, and restores each item in our collection to ensure it is fully prepared for use in your home.
