Description

19th Century Chinese hardwood lacquered cabinet. The cabinet is decorated with floral decorations and is fitted with two small drawers. Originally it would have had two doors, concealing the shelf and drawers inside. However, it still makes a unique shelf unit and the price reflects the missing doors. Wherever possible, we personally deliver items to ensure they arrive in excellent condition and that you are completely satisfied with your purchase. We offer a 14-day returns policy for your peace of mind. If you are not fully satisfied, you may return the item for a full refund. Please note that return shipping costs are the responsibility of the customer.
