Description

This wardrobe is in good condition. We have professionally stripped and restored it and then painted it in a lovely mid grey paint, rubbed over the edges and waxed it giving it a stunning appearance. The wardrobe would look well in an old or modern property in a hallway or bedroom as a child's wardrobe. This is in one piece and extremely heavy and I will require a hand off the van with it into your hallway. Please make sure the pathway to your house is clear to get it into your property. Your staircase would need to be straight with no turns if it is to go up stairs. The wardrobe stands on square back legs and round turned front bun feet supporting the main section. There are two large doors. The doors each have three panels with a lovely moulding. There is a key to lock the door. Behind the door is a hanging rail, shelf and hooks for storage. The top has a standard graduated cornice with lovely circular mouldings beneath. There are fluted columns and carved corbels to the sides. The height is 183cm, the width is 126cm and the depth is 62cm. The internal depth is 46cm.
