Price

Sold

Item Reference: SA1209293

Date of manufacture: Victorian

Dimensions

Height = 82 cm (32.3")

Width = 15 cm (5.9")

Depth = 15 cm (5.9")

Description

A handsome pair of antique Italian marble columns. Of slender, smaller proportions, crafted in a warm rouge marble alive with intricate natural veining. The shafts are gently convex through the centre, giving a pleasing sense of movement and proportion. Each column is finished with contrasting pale marble rings to the top and base, and stands on a stepped circular plinth, adding a subtle architectural presence. An elegant and versatile pair, well suited for display or interior decoration.
