Description

A spectacular example rarely seen in such a large size and with such exquisite inlay including the charming Urns created either side below the ring handles. The brass inlay is on four sides, with foliate panels around the side of the lid; the brass compliments the richness of the exotic Rosewood. The interior reveals two removable cannisters, both with hinged lids again beautifully inlaid with cut brass. The fitted central compartment retains a wonderful cut crystal mixing bowl, which would have been used to blend the two teas contained either side, before adding to a teapot. A splendid and impressive example in excellent condition, measures 15 1/2" handle to handle x 6 1/2" deep (max) x 8 1/2" tall.
