Description

This chest of drawers is in good condition. We have professionally restored it and then waxed it in a lovely antique brown bri wax giving it a stunning appearance. The chest of drawers would look well in an old or modern property in a large bedroom. Please be aware this is in one piece and I will require a hand off the van with it into your hallway. If it is to go up stairs your staircase needs to be straight with no turns. The chest stands on square back legs and round turned front bun feet supporting the main section. There are three large drawers. The drawers have round turned wooden knobs and their key escutcheons. The drawers have dovetail joints and are pine lined. The top is in good condition with a bull nosed edge. There are reeded columns and carved corbels to the sides. There are also columns to the top. The height is 105cm, the width is 127cm and the depth is 60cm.
