Antique Pair of Carved Panels

Price

Sold

Item Reference: SA1209377**Date of manufacture: 1880**

Description

This attractive pair of oak panels dates from the 1880s and features the classic linenfold design, a motif inspired by the appearance of folded fabric and widely used in Gothic Revival furniture. Crafted in solid oak, each panel displays a rich, warm tone with a pleasing aged patina, highlighting the depth and curvature of the carving. The bold, flowing folds create a strong sense of movement while maintaining a clean and timeless look. Dimensions (each panel): Height: 59.5 cm Width: 41 cm

Internal Ref: OT0681
