Description

Anglo Indian Hoshiarpur Carved Octagonal Table C1900, 58.5cm top Indian Teak. An exquisite turn of the century, circa 1900-1910, Anglo Indian carved teak Hoshiarpur table with excellent carved panels and handsome patination to the octagonal top. An impressive Hoshiarpur with an elegant timeworn-dry colour without any losses to the intricate panels. Traditionally the lid will lift off to allow the base to fold which it still has the potential but the top was professionally fixed to the base many years ago so therefore 1 unified piece. A very quality Hoshiarpur. Dimensions Height 61.5cm Top 58.5cm Please request more photos and any questions invited. Free collection from Lewes, East Sussex. U.K. delivery available.
