Price

GBP 1,250

| USD \$1,688 | EUR 1,464

Item Reference: SA1209396

Date of manufacture: 19th Century

Dimensions

Height = 77 cm (30.3")

Width = 58 cm (22.8")

Description

A wonderful example of a 19th century Italian parquetry tilt top games table. Likely from the Sorrento region of Italy. Featuring many local timbers including walnut and olive wood. Unusually this table has a hidden area underneath the top possibly as an area of gaming pieces or for sewing items so that the table had two uses.

Internal Ref: 723
