Industrial Vintage Console Hall Table Cast Iron Up-Cycled Machine Base Reclaimed Pine

Price

GBP 415

| USD \$560 | EUR 485

Item Reference: SA1209579**Date of manufacture: 19th Century**

Dimensions

Height = 86 cm (33.9")

Width = 92 cm (36.2")

Depth = 44 cm (17.3")

Description

Industrial Style Up-cycled console table . A fantastic Up-cycled machine base console table. This distinctive industrial-era statement piece is built upon a rare and formidable cast-iron foundation, salvaged from a specialised late 19th-century machine base. A true study in functional engineering, the base was originally designed for use with overhead line-shaft power , likely driven by a stationary traction or steam engine. It features a unique asymmetrical profile where one side flares elegantly outward to counter the lateral tension of overhead drive belts, while the opposite side retains its heavy-duty mounting portals for the original mechanical countershafts. The legs are securely integrated by an original cast-iron under-plate, creating a singular, rigid unit that provides unparalleled structural integrity and a massive, grounded presence. The ironwork is defined by an incredible "factory-floor" patina, showcasing a multi-layered, chippy blue and green finish that has been carefully stabilised to highlight the raw, dark cast iron surfacing in high-wear areas. To transform this industrial relic into a functional work of art, it has been hand-fitted with a top craf...
