An attractive 19th century pine dresser base. The dresser base features three drawers fitted with wooden knobs and brass escutcheons, above an attractive shaped apron. CONDITION REPORT: In good antique condition, with signs of wear commensurate with age and use. There are marks, scratches and areas of wear throughout. There is evidence of historic woodworm, particularly to the front and drawer fronts as pictured; however, this is long since inactive and has been treated as a precaution. All drawers are solid and sound, and they run well. There are minor splits to the top, but the piece is structurally solid and sound. Overall, it is a good, honest example. Our experienced carpenter thoroughly inspects, repairs, and restores each item in our collection to ensure it is fully prepared for use in your...
