## Description

Antique 19th century double bed made from brass and iron, very well made and of good quality, showcasing a beautiful combination of black painted iron and polished brass detailing. This bed is exceptionally sturdy with a solid construction, reflecting the fine craftsmanship of the period. It comes complete with the headboard, footboard, side railings, and mattress base, all fitting together securely. The elegant contrast between the dark iron frame and bright brass accents gives it a timeless and sophisticated appearance. In good condition throughout and highly desirable, this antique double bed would make a wonderful addition to any home, adding both charm and character to a bedroom setting. Please note that the mattress and bedding are for display purposes only.
