Description

A charming antique early 20th century chest of drawers in golden oak, very well made and of good quality throughout. This attractive piece features three spacious drawers to the front, all fitted with their original decorative handles, adding period charm and authenticity. It is finished with a raised gallery to the top, enhancing both its decorative appeal and practical use. The chest stands on sturdy square legs and displays a gorgeous oak grain with a warm golden colour throughout, giving it a timeless and elegant presence. Presented in good condition, this is a very desirable example with excellent colour and classic proportions, making it a perfect addition to any home.
