Description

A charming antique early 20th century large open oak bookcase, very well made and of good quality throughout. This impressive piece displays a gorgeous oak grain with stunning figuring and a rich warm colour, giving it excellent character and presence. It features four shelves in total, thoughtfully arranged as two on each side, providing generous and practical display space for books or decorative items. The upper section is enhanced with attractive dental moulding to the cornice, adding a refined architectural detail, while the whole piece is finished with a solid plinth base for strength and balance. Presented in good condition, this is a very desirable and substantial example that would make a perfect addition to any home. Product Reference : AF - 5574
