Description

A wonderfully colourful swirling design has been created to decorate this fabulous Victorian mahogany tilt top table. Standing on superb lions' paw feet on castors and a pedestal decorated with stripes to match the colours on the table top, this is a statement piece. The table top has a good, deep skirt and the top tilts smoothly on the original brass mechanism on the underside of the table top. This would be an excellent hall table and if used as a dining table comfortably seats four. Dimensions in cm: table top diameter 105, height 73.5, height when tilted 136, width leg to leg 80.
