Library Leather Chair circa 1890

Price

GBP 450

| USD \$608 | EUR 526

Item Reference: SA1210152

Date of manufacture: Victorian

Description

The Leather Chair, an elegant library chair from circa 1890, showcases a beautiful patina that enhances its aesthetic appeal. Designed for comfort, it provides an ideal seating option for reading, supporting relaxation with its ergonomic structure. This piece combines historical craftsmanship with functional benefits for an enriching reading experience. The condition of the chair is generally good. For example the structure and patina is excellent. But the chair has some tears to the leather see photos.
